

St Erme Medical

Coronavirus Statement

We are prepared to offer a face to face service for patients who can reassure us that they have a very low risk of carrying coronavirus. Preliminary counselling may be offered to minimise contact time.

This means having practiced social distancing in accordance with HM Government advice and having no contact with anyone with a positive test in the last 14 days

AND

- Do not have a temperature
- Do not have a cough
- Do not have a loss of smell/taste

AND

- Have not had any of these symptoms in the last 7 days.

You will be asked to use hand sanitiser on entry to the building.

You will be given a surgical mask, please use it. Dr Gray will use appropriate PPE
